### EXAMINER'S AMENDMENT

1. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 CFR 1.132. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this Examiner's amendment was given in a telephonic interview with Mr. Ronald J. Baron on August 29, 2005

The application has been amended as follows:

**In the claims:**

Claim 6, line 1: "2" has been changed to --1--.

### *Reasons for Allowance*

3. The following is an examiner's statement of reasons for allowance of claims 1, 3, 5-7 and 9-11.

For independent claim 1, the prior art of record does not disclose or clearly suggest an adjustable measuring and pointing tool comprising a bar and a ring attached to the bar between the upper plane and the lower part that prevents the one or more cursors from being accidentally released from the bar in combination with the remaining limitations of the claim.

Claims 3, 5-7 and 9-11 are allowed due to its dependency on allowed claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
